Dear Mary Helen:

Well, it' been a hard long year, with lots of fun on the side -

Of course I did'nt go to high school with you, but there were lot's times I felt as though I was there sharing some of the excitement that goes with being a senior in high School.

I've really enjoyed working with you, of course we did'nt work all the time - we always could find a few times to talk, Oh, ya, what did we talk about - well - work, men, clothes, Boys, dates and Guys, I think I got all 3 of them in - Ha! Any way stay the sane sweet girl you are and you wont have any trouble getting all you want.

Best of Everything to a swell gal -

Love Lee

# Prelude

Greetings:

"Music hath power"... and what pleasant power. It gives its notes of sorrow and of happiness in our theme, "Loyal and True." The melodies make us relive our yesterdays in its familiar refrain. This, your book, will enable you in days to come to recall some of the hours of our high school days; they will become a memory made more beautiful set to music. As you turn the pages of the book, you will stroll along the musical corridors of memory from the first page to the last; and the music of your high school days will fade in faint echo of "Auld Lang Syne."

FINALE

# Dedication

A CHORUS rendering the music for the Union Thanksgiving Service.

B CHORUS took music to the hospitals at Christmas time.

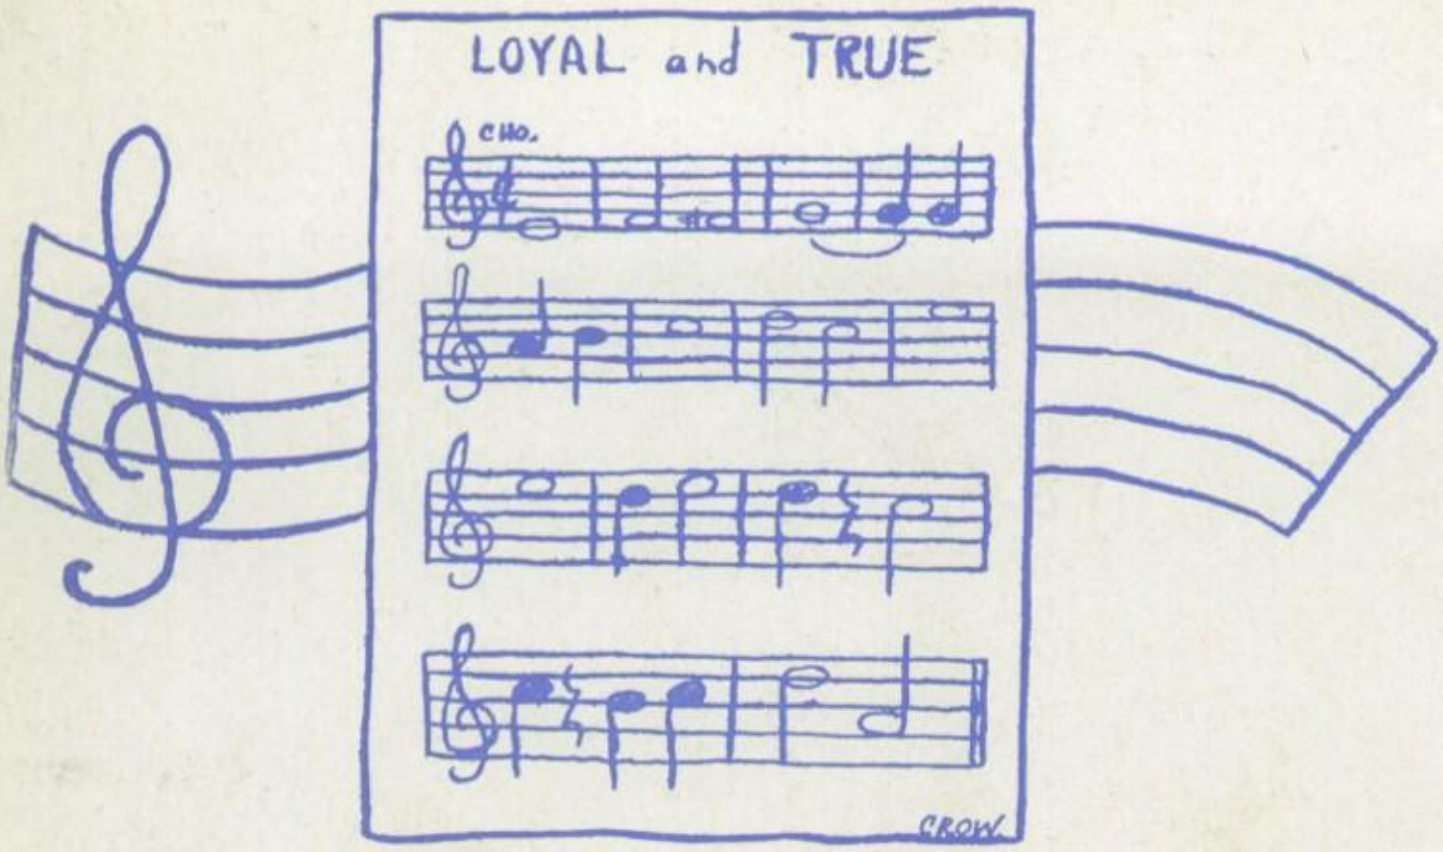
THE MARCHING BAND furnishing pep for one of our football rallies.

# To Our Music Makers

## DEDICATION

The band playing or the chorus singing . . . these musical sounds are constantly floating around Paris High School; and to make this true the music department has become one of the largest and hardest working in Paris High.

Because of its outstandingly fine work and its tireless efforts to bring the beauty of music to us, we gratefully and respectfully dedicate this thirty-eighth volume of the OWL to the Music Department.



# Materialistic Progress of P.H.S.

Late this summer Paris High School started having a face-lifting. Everywhere men were working in order to get in new windows before the new school term. Marble steps added much to the beauty of our building, and the outside steps were remodeled. The projection room was painted; a number of offices and other rooms were repainted. The new, wider sidewalks have been enjoyed not only by the students but also by the citizens of Paris.

Soon after school started, modern desks, shades, new restrooms upstairs, and new fixtures throughout the ones downstairs completed improvements. A clinic room and a homemaking room were added to the clothing department. In the gymnasium files for the music were added. The improved P. H. S. was the home of the District Teachers' Conference held in March.

MR. THOMAS S. JUSTISS
*Superintendent*

Mr. Justiss, Superintendent of the Paris Public Schools, always has a cheerful greeting for each member of the student body. Perhaps it is this attitude of gracious friendliness that is mainly responsible for his popularity with both students and teachers.

His enthusiasm, helpfulness, and fluent speaking ability will remain in our memory long after we have all sung together for the last time "Loyal and True."

MRS. BETTY JACKSON
*Secretary to Superintendent*

# Supporters of Loyal and True

MR. GILBERT CECIL
*President*

MR. CHARLES GERON
*Secretary*

Other members are MR. D. C. HOLLAND, MRS. W. H. LIGHTFOOT, MR. HARDY MOORE, MR. GEORGE WATERMAN, DR. J. L. JOPLING.

MR. W. H. FREEMAN
*Business Manager*

When we think of our school board and its tireless action for the betterment of Paris schools, our hearts are filled with gratitude. They have given of their time without thought of pecuniary award. We appreciate the work of these seven people and wish them continued success in the future. It is our hope that the efforts of this board will be made fruitful by our attaining a high standard of leadership for tomorrow.

MR. DEE CUNNINGHAM
*Principal*

MRS. BONNIE TURNER
*Secretary to Principal*

Although Mr. Cunningham is a newcomer to Paris High School this year, he has already made a host of friends among the students and the faculty. He has strived for the improvement of our school, always keeping the students in mind.

Before Mr. Cunningham came to Paris High, he had been principal of Rosa Pearson for four years.

His friendliness, interest in school activities, and fine character make Mr. Cunningham an excellent leader.

## CULTURAL PROGRESS OF P.H.S.

As the turn of the century has brought about many developments in all phases of life, it has added new interests to our school.

To enlist more students in activities, many new clubs, such as the Business Club and the Projectors' Club have been organized.

Giving advice to any student not only for the present but for the future is the aim of the new Guidance Program directed by Mrs. Perry Booth. Another helpful step in this direction is the aptitude tests given by the Texas Employment Commission.

Among our new programs is the Student Council, which has made steady progress from its beginning. We expect great results in the future.

Paris High School and its personnel will ever work for the betterment of all its students.

# Our Distinguished Guests

MRS. DIXON'S COMMERCIAL LAW CLASS is visiting the Court House for some first hand explanations of our laws by Mr. Leighton Cornett.

Paris High School is sometimes honored by visits from distinguished guests such as SENATOR A. M. AIKEN; and the State Educational Director, DR. J. W. EDGAR; shown here with our Superintendent, Thomas Justiss.

These interested FRESHMAN MOTHERS brought their children to school the first day.

# *Classroom Rhapsodies*

"I pledge allegiance to the flag—" MRS. HEATH always teaches her classes the pledge to the flag and "The Star-Spangled Banner."

MISS CROOK'S FIFTH PERIOD ENGLISH CLASS learns a little about our mother country from Miss Ann Tyler, a native of England.

Here we find a group of MISS OLIVER'S SECOND YEAR SPEECH STUDENTS demonstrating the art of make-up.

# In P.H.S.

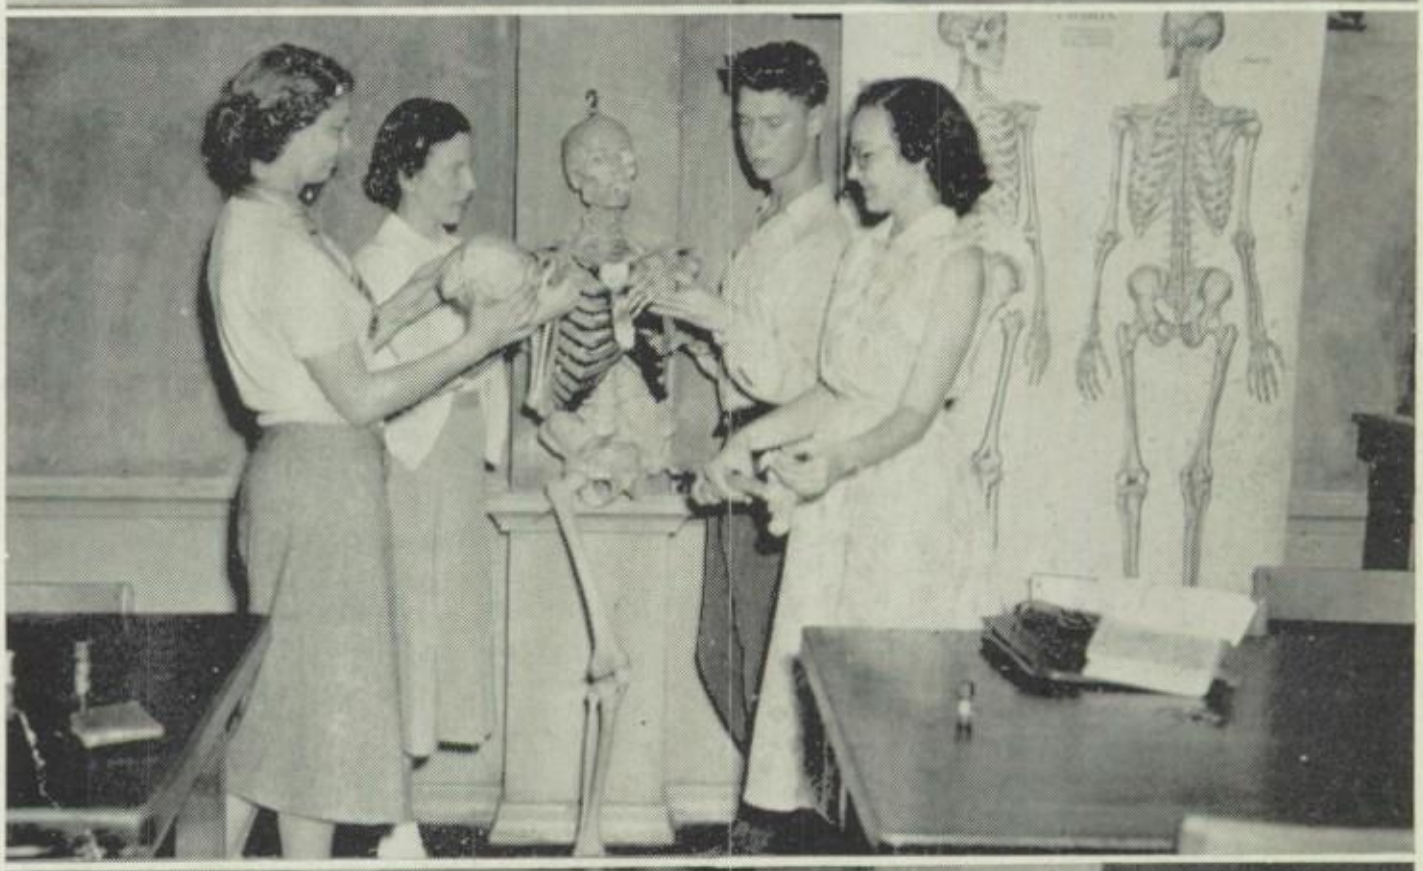
MISS KATIE certainly keeps her American History classes well occupied on Current Events day.

Charles Farmer, Eugene Lancaster, and Glenn Long are busy as beavers wrapping up the books in the bookroom under MRS. BAIZE'S supervision.

Dick Crawford is preparing to give the "okay" to start the recording of a radio script in MISS OLIVER'S SPEECH I CLASS.

# Sing the Song

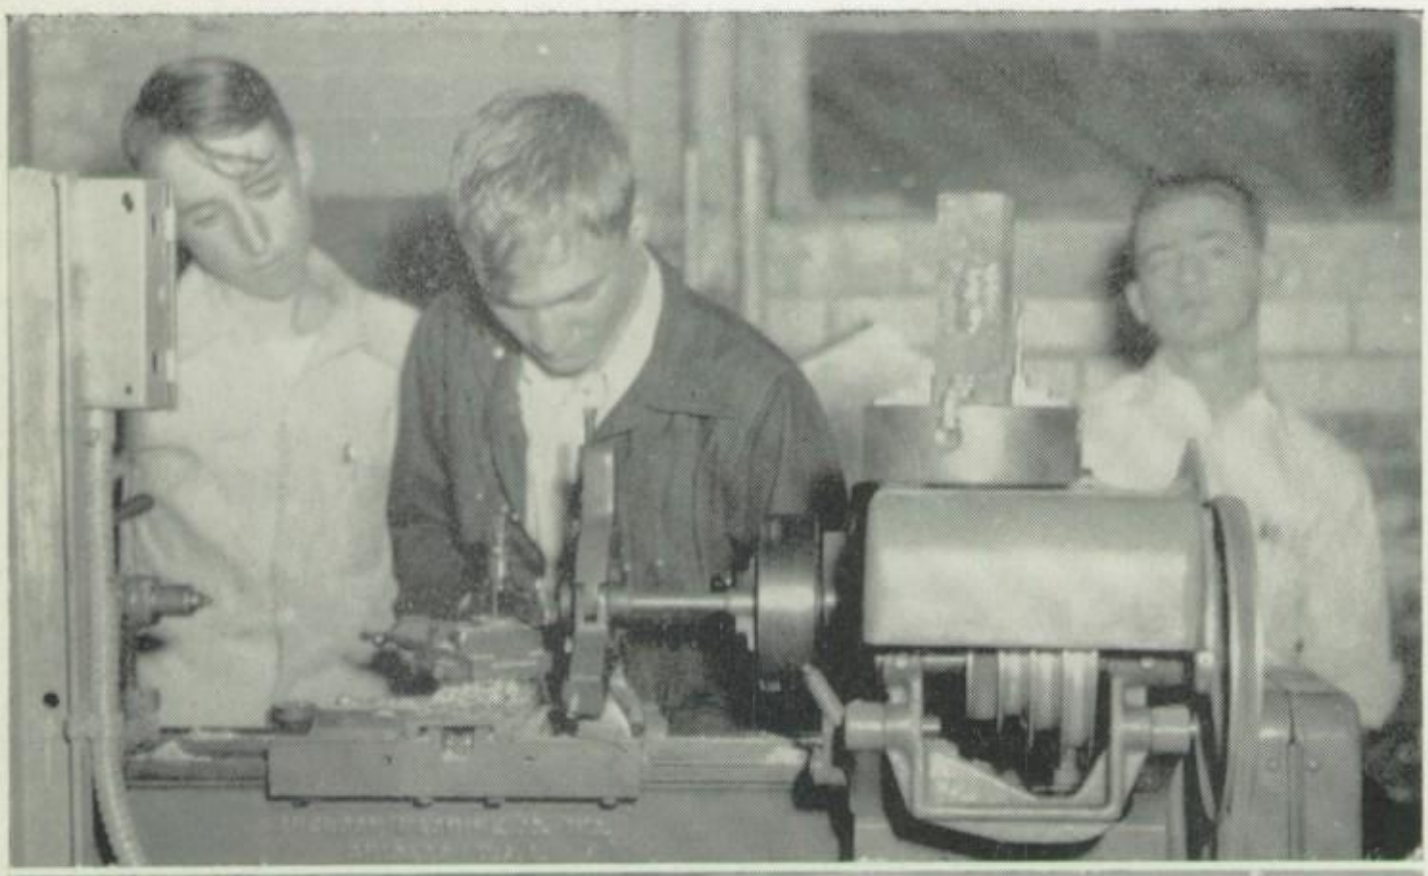
Here are a group of MR. COKER'S DRIVING STUDENTS preparing to embark on a routine drive.



Carolyn, Beverly, Oscar, and Margaret seem to enjoy studying the skeleton in MRS. STIFELMAN'S BIOLOGY ROOM.

Those FOOD CLASSES OF MRS. STEPHENSON'S really teach you how to cook!

# Of Our Daily Work



J. W. Barrington, Mack Stout, and Charles Pritchard are always busy when they are in Mr. Skidmore's shop class.

Is Philip Cecil really sick or is Mr. Dempsey merely explaining the use of the oxygen tent to his General Science students?

In this picture we see James Stewart getting some friendly advice from our principal, Mr. Cunningham.

# The Song of Songs...

# The Senior Solo

Copyrighted by the Seniors of 1951

## Stanza I

Immediately upon entering P. H. S., the Freshmen of 47-48 banded together to form one of the largest and most talented choruses ever to sing "Loyal and True." We soon proved that we had strength, other than lung-power, by electing Ida Terrell Boswell, OWL Sweetheart. This was the first time in the history of P. H. S. that a freshman had received that honor. Other Hit Paraders were our directors, Miss Oliver and Bill Dawson. Among other things, it was evident that we were capable of having good times at football games, Teen Town, and at our own Christmas Party. Yes, we are singing a lively song, but, as the saying goes, "You ain't heard nothin' yet!"

## Stanza II

Same song, second verse, could be better . . . and it is! We were really catching on to the tempo now. We started the year off right by electing Jimmy Ferguson, Betty Thomson, Sandra Staples, and Kathryn Hall as class officers. Another wise move was the selection of Miss Celia Donaldson as our director for the remaining school years. She has all the qualities of a lovable person, fine musician, and a capable leader. Sandra Staples, a valuable member of the class, was chosen as OWL Sweetheart nominee and Sophomore Favorite. The year was brought to a close with a huge picnic at Lake Crook. Our hearts were growing up and, oh, how eagerly we looked forward to becoming upper classmen!

## Stanza III

The beat of our song began to quicken as we reached that glorious state — upper classmen! We now enjoyed such privileges as being admitted to the Tri-Hi-Y and Hi-Y, and we had a voice in all major activities. Our class happenings got under way with a back-to-school dance, but all was not play for funds had to be raised for our Junior-Senior Prom. Money-making projects, such as concession stands at two football games, and a very successful stunt night, were sponsored by the 49-50 Juniors. Directing such projects were Miss Donaldson and the class officers, Alfred Mackin, Melba Robinson, Mary Alice Horne, and Billy Alexander. In the spring of the year, honors were bestowed upon our class by eight of the Juniors being admitted into the National Honor Society and a large number of our classmates receiving awards at class night. The major composition of our Junior year was the Junior-Senior Prom. That exciting night found the gym transformed into a French Cafe, and we left the Junior year behind us with the theme-song of the Prom, "Some Enchanted Evening," ringing in our ears.

## Stanza IV

The grand finale of our high school song was our Senior year, a combination of all the joys that high school has to offer. Such fads as strumming a "uke," Charlestoning in our orange and chartreuse socks, wearing cowboy outfits, and doing the shag with our best beau, added to the fun. Of course, letter jackets and Senior rings are always "The Thing." Under the capable leadership of Dick Crawford, the class performed such functions as giving dances, publishing an OWL, producing an outstanding Senior Class Play, and presenting a water cooler to the school. Since every good song must come to an end, the Seniors of 50-51, the bankers, musicians, physicians, and soldiers of tomorrow, received their diplomas with just a touch of sadness. Although this group may never sing together again, each, in his own heart, will continue to be "Loyal and True" forever.

# *Student Council*

Another outstanding organization has been added to Paris High School, known as the Student Council. The purpose of this council is to promote and maintain closer relationship between the student body and the faculty, to build character and promote better citizenship, and to insure better school spirit.

The membership is composed of each home room president and the four class presidents. The officers of the council are elected by the representatives. The projects and accomplishments of the year have been numerous and successful, while the student body has been most co-operative and appreciative. Within a few years we hope that it will have grown and served each of its purposes to the fullest extent.

## JUNIOR JUBILEE

In 1948, a young class entered Paris High School, saying with great enthusiasm the words, "One for all and all for alma mater," and they have really proved this true.

During their Sophomore year these students, although small in number, added the words "Loyal and True" to every game they attended and every task they undertook for Paris High.

The Juniors struck the big notes of the year in 1950-51 under the leadership of Mr. Thielman and these officers: Bobby Jack Greer, Patsy Holcombe, Jerry Redus, and Paul Daniels. They began by entertaining the school on Oct. 20 with a Sock Hop. Prizes were given for the loudest socks and the smallest and largest feet. The class had charge of the concession stand at the Sherman-Paris game, participated in sports, were leaders in all clubs, contributed much to the Student Council. Bunny Williams was chosen as their OWL Sweetheart nominee, and five outstanding Juniors were selected as OWL assistants. Another note to add to their staff was "Stunt Night," a special project of the Junior Class.

This class has contributed much to Paris High, distributing its leaders in every field of service and extra-curricular activities. We may have complete confidence in turning over the leadership of our school to this class in 1951.

## THE SOPHOMORE SERENADE

The beginning stanza of the Sophomore Serenade records this ambitious class catching their first glimpse of P. H. S. They began their song under the able direction of Larry Simmons and Mrs. W. G. Sluder. Because they had a concession stand at the Bonham game, a Christmas Dance, and took part in many extra-curricula activities, it is easy to see that the dazzle of high school did not bewilder these Freshmen.

As the strain of "Loyal and True" continues, we find Emma Lee Cunninghm, James Sweeney, Ruth Ann Jack, and James Park — the newly elected officers, leading this class through many outstanding feats, with Ruth Ann Jack as OWL Sweetheart nominee and Margaret Butler as Christmas Queen nominee.

Another high note of this class is the participation of all its members in the Drama Workshop, Tennis Teens, Latin Club, and various other clubs of P. H. S., in which many of them have held offices.

As the serenade goes on, we hear the faint strain of "Jingle Bells." The Sophomore Christmas Party on December 18 was a huge success.

The varied talents of the Sophomore Class were displayed in the many programs and assemblies in which they took part. The best of these were the Sophomore Stunt and the Sophomore Assembly, March 22.

The Sophomore picnic, May 3, struck the note of finality to this grand year which all 201 Sophomores enjoyed.

# Freshman Fanfare

The Freshman Class began their "Loyal and True" career in P. H. S. by selecting Geron Davis, David Griffin, Marie Maysey, and Ann Condray to help Miss Anderson direct their activities.

Although this is their first year in P. H. S., they have already become accustomed to the mad rush between classes, the banging of locker doors, and the melodious strains of "Loyal and True."

The Freshman Class held an active part in school elections with Mary Ann Graves as their OWL Sweetheart nominee and Marie Maysey as the Christmas Queen nominee. Many of the Freshmen displayed their varied talents at Stunt Night and the Freshman assembly program. Among the numerous performances of this class we find them taking active parts in sports, Tennis Teens, Band, Drama Workshop, FFA, FHA, Latin, and many other clubs.

They got in the swing of things by running the concession stand at the Palestine football game. Another high note of the class activities was the Christmas dance held at the gym on December 15.

This class has proved its capable leadership and ability in various ways, and although they are quarter notes now, they will be whole notes in their final composition.

# Musical Memoirs

Under the capable leadership of Mr. Floyd Weger, the Paris High School Band has become one of the most outstanding bands in the state.

The eighty-five piece band is often called Paris High's "Twelfth Man." The Blue Blazes have made many interesting and remarkable maneuvers at the football games, appeared in assembly and on numerous other occasions. They have taken part in the Christmas celebration and many other civic parades.

Each student looks forward to the assembly programs in which the band appears, for it makes each one a memorable occasion.

On October 7, eighty-five students representing Paris High School climbed into buses bound for the Tyler Rose Festival. As usual they strutted their stuff for Paris High.

On February 7, band students again climbed into buses, but this time it was bound for Galveston. Two students from Paris High were elected to play in the All-State Band. They were Bobby Robinson, 1st chair trumpet, and Alfred Mackin, 2nd chair tenor saxophone.

The Mixed Chorus of Paris High School is recognized as one of the most outstanding high school choral groups in this state. It not only functions as a club, but also meets as a regular class.

Under the careful and artistic direction of Mr. Weger, assisted by Miss Celia Donaldson, accompanist, the club has achieved a high distinction for itself as well as the entire school.

Before a student can become a member of the Mixed Chorus, his ability must be approved by Mr. Weger.

On November 22, the Chorus sang at the First Christian Church for the city-wide Thanksgiving service.

This group has performed for various churches and civic organizations in Paris, as well as for its own student body.

Both Chorus and Band looked forward to the Music Week Festival Concert on May 4.

On December 20, the students of Paris High were honored to have the Chorus sing their Christmas Cantata for them in assembly.

The band as well as the chorus has earned many awards and has a warm spot in the heart of all Parisians.

# *It Happened This Way*

## Kilgore 6 — Paris 0

The Wildcats lost their first game of the season to the Kilgore Bulldogs. The Wildcats never seemed to get going during the first half but they still held the Bulldogs to the one touchdown they acquired in the first quarter. During the second half the Wildcats came to life and made one 60-yard drive but were unable to score.

## Paris 19 — Carter-Riverside 12

The Wildcats made up for the defeat from Kilgore by beating the Eagles 19 to 12. Two Eagle mistakes were turned into touchdowns when Jimmy Sweeney intercepted a pass and Bebes Stallings scored on a kick that was blocked by Franklin Kyle. The other touchdown was made by J. E. Christian from the 1-yard line.

## Corsicana 26 — Paris 0

The unscored on Corsicana Tigers won their third game of the season by defeating the Wildcats 26 to 0. A hard fighting Wildcat line held their own against the Tigers until late in the third quarter when Corsicana finally pulled ahead.

## Texarkana 42 — Paris 0

Next the Wildcats met a powerful Texarkana eleven and lost 42 to 0. A wild first half plus a tricky "T" ran up the lopsided score. Both teams filled the air with passes and provided a wild show. In the second half a stiffening Wildcat defense held the Tigers to only two scores.

## Palestine 14 — Paris 0

A high-rated undefeated Palestine just barely slipped past the Wildcats. This was the fourth game in a tough warm up schedule of the Wildcats and their showing was good. They had an iron defense and made several spirited drives but were unable to convert.

## Denison 26 — Paris 12

The Wildcats met Denison in the big game of the year. This time several costly mistakes cost this scrappy Wildcat eleven the game. The passing combination of Clyde Stinson and Jimmy Sweeney plus the running of J. E. Christian provided the Wildcat scores. In the last half Denison pulled ahead to win 26-12.

## Paris 13 — Sherman 0

Things looked mighty dark in Paris last Nov. 5th —the reason, a big tough Sherman team was coming to town. But the fighting Wildcats stunned the Bearcats and the frozen fans with a 13-0 upset. The Wildcats outplayed the Bearcats all around but fine running by Christian and an airtight defense were their strong points.

## Paris 33 — Sulphur Springs 0

The Paris Wildcats really opened up on the Sulphur Springs Wildcats—33 to 0. In this game the Wildcats showed the polish they had been working on all year. The Wildcats scored throughout the game and nearly all of the reserves played.

## Paris 20 — Greenville 16

The Wildcats, riding on a nest egg of 20 points scored in the first quarter, beat the Lions 20-16. Three quick touchdowns by Christian and Sweeney gave the Wildcats their 20 points. Most of the scoring was done in the first half because Old Man Winter controlled the last half.

## Paris 20 — Gainesville 18

With the Tri-Championship of 7AA on the line, the Wildcats outscored the Leopards for a 20-18 win. All but one of our scores came in the first quarter. Christian and Alexander each scored. Gainesville jumped back to take the lead but late in the third quarter Christian scored the winning touchdown

# Fatal Figures

The Wildcats opened this season with one of the toughest warm-up schedules in our history. We lost most of the early games; but the experience and polish the Wildcats received from these games helped pilot them to the tri-championship.

Our school is kept immaculate by these people who work diligently each day. It is a familiar sight to see these workers sweeping floors, dusting, fixing lockers, cleaning windows, or testing radiators.

While the students are enjoying holidays, the custodians work especially hard, painting, waxing floors, keeping the lawns, walks, courts and fields in order. Long after the students have been dismissed, our faithful maintenance crew is cleaning the building for school the next day.

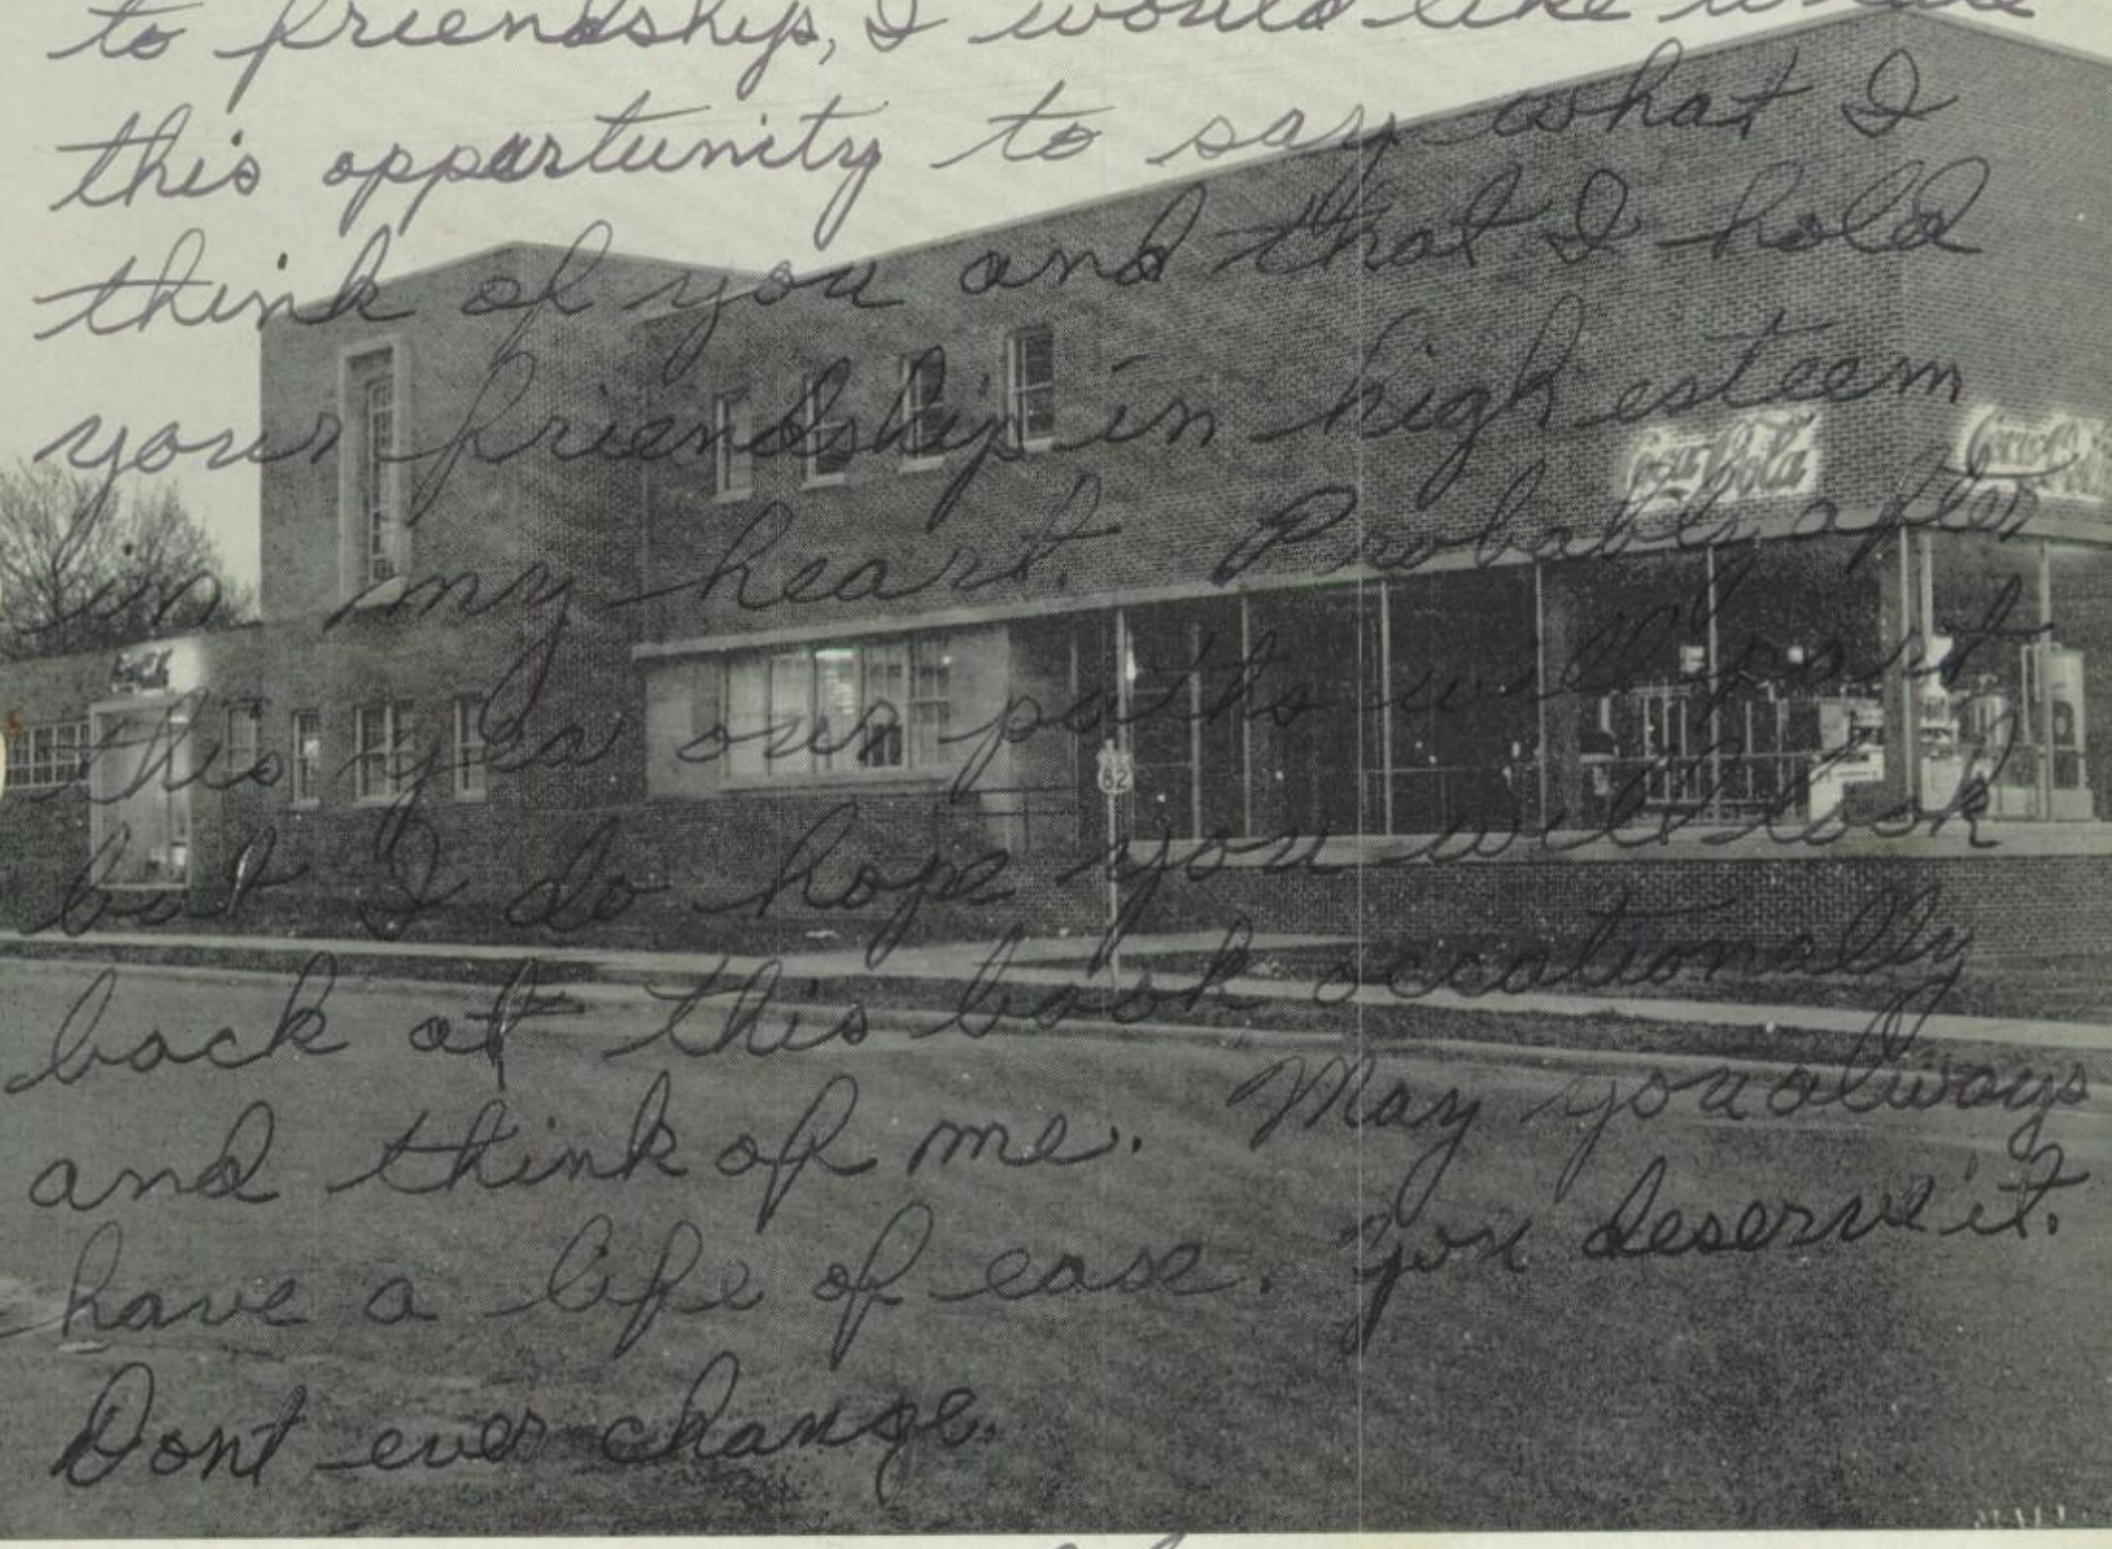
# *Familiar Refrain*

We, of the 1951 OWL, here express our thanks to all the advertisers who contributed to our book. Without their co-operation the publication of our OWL would not have been possible.

Our friends are among the most civic-minded and leading businessmen in our town. They have all been kind and considerate, which has made our task of selling ads fun as well as a business adventure.

The OWL Staff is looking forward to later years, in which we will again be associated with the businessmen of Paris.

Dear Marykeleen:
Although I have only known
you for a short while (a few months)
we have become very close friends.
although words are a small tribute
to friendship, I would like to take
this opportunity to say what I
think of you and that I hold
your friendship in high esteem
in my heart. Whatever you
do in the future I do hope
that you will look back at this book occasionally
and think of me. May you always
have a life of ease. You deserve it.
Dont ever change.



Always yours
Bobbie

## Perkins Bros. Dept. Store

George Johnson seems to be shopping for a new jacket in Perkins' Men's Department. Perkins' carries a complete line of clothing for young men of high school and college ages . . . slacks, jackets, shirts, ties, and all the rest. "Botany 2 to 22" suits are also carried especially for students. George and other smart young men will continue to buy the top fashions for men in the years to come at Perkins'.

Martha Temple, Mary Alice Horne, and Melba Robinson look over the collection of decorative brass in Perkins' Gift Shop. Perkins' features the most complete selection of fine brass in Northeast Texas. Later on these girls will probably visit Perkins' Gift Shop again to select the fine China, Silver, and Crystal they'll want to use in their homes.

Betty Thomson, Sandra Staples, and Sarah Jean Haley find Perkins' Toiletries Shop a pleasant place indeed! They know that at Perkins' they'll find dozens and dozens of famous name perfumes, colognes, and other toiletries needs. Perkins' Toiletries Shop is famous for its Charles of the Ritz "Made-to-order" face powder, among other things.

Perkins' free delivery service is but one of the many "extra services" offered by Perkins Brothers Company in Paris. The picture at right shows Otis King of Perkins' in the modern Chevrolet panel truck used for making the two scheduled daily deliveries at Perkins'. Wise shoppers have their packages delivered free of charge and save time, worry, and energy!

So Marylen, I want you to know I love you like a sister and please always remember me, cause I'll never forget you.

I can't put into words how much I really think of you; you are really the one person I sincerely hope that things turn out like you want them to. And I think that you and Ben, are really meant for each other. Please be as sweet to him, as you are to me and you all will get along just fine. Really Marylen I love you honey. Love always,

202 OWL

## "Reserved For Jake"

Dear "Smoky",

I have enjoyed having you in my class. I think you are a fine girl. Like you had enough confidence in yourself to win that "Banana Split" off of me & that bet, I'm sure you will have enough confidence to make a success in life. Don't let those boy friends order you around too much, because you might marry one and he'll think he is the boss. You have been a fine student and I appreciate it very much. I can't fill up all of this space, so I'll quit. I wish you the best of luck in everything, always,

Jake

## "Reserved For Billye"

Dear M.H.

I love you, is about all I know to say, for I have poured out things to you. I guess I've never told anyone else. I just hope that our friendship will grow and grow on through the years. Honey, you're the cutest, sweetest girl I know. Will you ever forget some of our little jaunts — I mean the Country Club for one. Hmmm, that is the part I can't be helped.

I love you Mary Helen. don't ever forget it. I hope you get everything of the best in life.

Billye (Moonman)

## "Reserved For Helen"

Dear Mary Helen,

I guess you know how I feel about you anyway because we have been friends for so long and I've enjoyed every year of it. I think you're one of the sweetest and cutest friends a girl could ask for and I do hope we will stay friends forever.

Write a Note

Love, you,
Helen

"Reserved For Ben"

Dearest Maryhelen,

Honey I don't know where I would be or what I would be doing if I hadn't met you. Guess I would be in Calif., seems I was just a little mixed up as to what I wanted to do; but falling in love with you straightend that out. I am glad we did fall in love not only because of you, but also Paris is my home and thats where I should stay.

Darling we have been together everyday or night since the first time I took you home. So I guess we were meant for each other. We have had some good times with Christine & Carl Inac, Dickie & M. Don; but with both of us working we don't have much time for get-togethers. Hope in the future we can have some good parties. Guess I'll close by telling you how much I love you.

'Til We Meet Again

I'll always love you
Ben

# *Postlude*

To end our musical theme of "Loyal and True" we should like to show our appreciation to some of those who have been especially loyal.

To Mr. Cunningham, Mrs. Turner, and the faculty go our sincere thanks for their splendid co-operation in taking pictures, and to Mrs. Baize for her help on our English. Also Ray Sissel deserves recognition for his assistance on the photography.

The members of the junior, sophomore, and freshman classes are to be commended for their work in the circulation campaign, while the seniors were especially helpful in our ad campaign. Our sports section was ably assisted by Fred Fuston and Jimmy Ferguson.

Our special thanks go to Mr. Walton Skinner and Hinkle Lumber Co. for building our platform each year when we distribute our book.

Last but not least, we thank Miss Katie for her endless effort in making our OWL a success.

It has been fun putting out the OWL and we hope you enjoy it.
